

Village Tech Schools Volunteer Permission Form
Background Criminal History/Sexual Offender Check
(Confidential)

The State of Texas requires that all volunteers must be approved after completing a criminal history/sexual offender record check. The information below is required in order to perform a criminal history/sexual offender record check. After approval, you may volunteer for activities. The day of activities, please bring your driver's license to the office to verify your identity and to allow an additional scan through our on-site system. This is required of all visitors of any Village Tech Schools campus visiting for any reason regardless of whether a Background Criminal History/Sexual Offender Check form has been completed. This is for the safety of our students. Failure to present a valid form of identification in order to undergo an on-site record check will result in denial of access to the volunteer activity and to the campus. Note: Please attach a copy of a valid driver's license to this form. This completed form, along with your driver's license, should be submitted to the front office of any Village Tech School's campus.

I understand that all information will be used solely for the purpose of obtaining a criminal history/sexual offender record check. I understand that refusal to fill out this form, non-approval of this form, or the lack of a volunteer form will prohibit me from leadership in activities with students. Approval for limited involvement such as accompanying your student on a field trip, eating lunch with your student, or visiting the campus will require an on-site record check that is valid only for the day of the activity.
