

## **Notification of Teacher Qualification**

In accordance with Every Student Succeeds Act (ESSA)/ PARENTS' RIGHT-TO-KNOW, this is a notification from Village Tech Schools to every parent of a student in a Title I school that you have the right to request and receive information regarding the professional qualifications of your student's classroom teachers and/or paraprofessionals, to include:

1. Whether the student's teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
2. Whether the student's teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;
3. Whether the student's teacher is teaching in the field of discipline of the certification of the teacher; and
4. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Additionally, the School will provide notice that a student has been assigned, or has been taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements at the grade level and subject area in which the teacher has been assigned.
